

The Royal Society of Chemistry is the world's leading chemistry community. Our publishing arm offers a range of exceptional resources – all of the world's top 30 universities subscribe to all of our online content.\*

Join us at stand 52 and 53 to find out more about what we do, including:

- **Pick and choose eBooks** – offering librarians even more flexibility
- **Gold for Gold** – join us at 13.00 on Monday for bubbly and a short presentation on the benefits of our OA initiative
- **Plus** test your reactions against our Micro Batak with the chance to **win an i-Pad mini**
